To Whom It May Concern:

Re: Triple J Pipelines – Letter of Reference

Triple J Pipelines is currently out principle contractor for pipeline construction in the Dawson Creek to Tumbler Ridge, B.C. field of operations.

Management and crew, formerly operating as Core Pipelines of Ft. St. John, B.C. was our principle contractor in the same region from 2003 to 2008.

Throughout they have consistently shown quality workmanship while maintaining an excellent safety record as evidenced by their minimal lost time record.

Strong leadership, attention to detail and the ability to deliver on time make this company a strong contender in the industry.

Please call me if you have any questions.

Dorn Becker
Pipeline Construction Coordinator
